

GUIA DE INGLÉS Nº 3, PRIMERO MEDIO

- En esta guía aprenderemos voz pasiva en Presente Continuo.
- Para voz pasiva en presente continuo, utilizaremos la forma BEING, que la vamos a entender como un “siendo” y un verbo en pasado participio.
- Lee atentamente la guía y resuelve los ejercicios dados. Para dudas, me puedes preguntar a mi correo lalvarado66@gmail.com

Passive voice present continuous:

-Lee el cuadro y presta atención como cambia cada oración de voz activa a voz pasiva

<u>Active</u>	<u>Passive</u>
He is painting the house	The house is being painted by him
She is cooking pasta	Pasta is being cooked by her
They are washing cars	Cars are being washed by her
He is cleaning the rooms	The rooms are being cleaned by him

-Como puedes ver, para transformar una oración en presente continuo a voz pasiva, necesitarás: **BEING + VERBO EN PASADO PARTICIPIO**

-Tomemos algunos de los ejemplos anteriores:

ACTIVE

He **is** painting the house
(el está pintando la casa)

PASSIVE

The house **is being painted** by him
(la casa está siendo pintada por él)

She **is** cooking pasta
(ella está cocinando pasta)

Pasta **is being cooked** by her
(Pasta está siendo cocinada por ella)

They **are** washing the cars
(Ellos están lavando los autos)

Cars **are being washed** by them
(los autos están siendo lavados por ellos)

-A continuación, encontrarás 5 oraciones en voz pasiva. Completa con el pasado participio del verbo en paréntesis, recuerda que los verbos pueden ser regulares o irregulares.

- 1 The car is being _____ by him (repair)
- 2 The photo is being _____ by her (take)
- 3 The film is being _____ by the company (produce)
- 4 The rooms are being _____ by them (clean)

-Ahora, vamos a transformar oraciones a voz pasiva utilizando el BEING+PASADO PARTICIPIO

- 1 He is building a house **A house is being built by him**
- 2 They are washing the dishes _____
- 3 She is writing the reports _____
- 4 Mat is taking photos _____
- 5 We are driving a bus _____
- 6 She is eating pizzas _____
- 7 He is sending e mails _____
- 8 She is doing math exercises _____
